REPORT TITLE									
Clerk's Report - For Information Only 18/03/11/801									

1. Date for the Joint Council meeting set at March 30, 7:00 p.m. at Deep River.
2. We have received notification of a second summer work program – up to 100% funding from the Provincial government. Have completed an application for this program as well. Must focus on tourism, seniors, parks and rec. Seems to fall within our needs.
3. On the night of Saturday, February 26, 2011 the disposal site at Stonecliffe was set on fire, along with a tarp that Billy was using to cover the material to prevent spread. I have arranged to replace Billy's tarp. I have also called the OPP and reported the incident in the event of further trouble.
4. FYI - We have received notice that the bridges at Deux Rivieres will be closing. Fred Hoelke has informed us that he will be parking his vehicle at the boat launch – outside of the travelled area. He is attempting to coordinate with Gaetan Leblanc to park the members' vehicles on his property.
5. Taxes were mailed the week of March 11, 2011.
6. Zoning By-law Changes – Public meeting to be held during the first Council meeting of May – May 6, 2011. I have arranged for the notices to be sent to appropriate parties. I will invite Bruce Howarth to attend at that time to answer questions from Council and/or the public.
7. Bill is to take a chain saw operator's course with Bob the weekend of March 26/27. As of March 16 Bob had one spot left if you know of anyone who might be interested.
