REPORT TITLE
Clerk's Report - For Information Only 05/06/09/001

- No update from ORNGE air.
- Trainee position ad will go out in next week's NRT.
- Roads work completed ahead of schedule and under budget – will continue with special grant funding to complete necessary ditching with brushing to be completed if funds allow.
- Richard Paiement – Zec Dumoine – Ruth spoke with Marc Etienne Lesieur who was unable to satisfy to my satisfaction the requirement for our Cof A and accepting waste generated outside of our municipality. His solution was to provide a "large garbage container" for use by all public. When questioned how we could have a contract with a specific entity under those conditions he had no response. I have advised the Zec representatives that we were not in a position to follow through. We have not heard anything further from them.
- Additional funding announced through RCCFDC and the Eastern Ontario Development Program. Plan to submit applications for funding for our taxation software and for production of a map/brochure to be used for Economic Development and Tourism purposes.
