► Homecoming 2017!

At its meeting in December, Council authorized staff to determine interest for a “special” Canada Day 2017 celebration and to apply for funding under Canada 150 grant program to help pay for an expanded celebration. Some members of the Recreation Committee have expressed some interest in combining a “homecoming” with Canada Day for 2017 to celebrate the sesquicentennial. Canada Day falls on a Saturday. Having specific homecoming activities that begin on the Friday and carry over to Sunday would be possible over the long weekend.

Obviously, taking on this type of venture requires the work of many, many people. Fundraising, donations and fees are also likely. This notice is to reach out and ask if there are people **within and outside of our community** who are interested in participating on an organizing committee and/or head up a sub-committee. Our first big goal would be to reach out to determine if there is interest from families who have moved away?

As 2017 is a big year for event organizers, vendors etc. all over Canada, we will have to move quickly on this if we want it to be a success.

It can't happen without your input and help. If we have no interest by the end of March, we will not be proceeding. If you'd like this to happen, please speak up. (MR)

If you are interested in participating in any way, please contact Melinda at 613-586-2526 during office hours (can leave a message) or email hcmclerkmreith@gmail.com by March 31, 2016.
