

Progressive Euchre Tournament Rules

Fee: \$5 per person. All admission fees are paid out at the end of the tournament.

Rules/Process:

1. We will plan for 10 tables. If you are interested in reserving a spot; please contact us at hcmhomecoming2017@gmail.com or call 613-586-2526 and leave your name prior to June 29. You may also register at the Welcome and Registration tent over the weekend.
2. Sign in at the sign-up table.
3. When players sign up each is given a score sheet. All players are responsible for keeping their own score.
4. Once teams are seated, play begins. The first dealer is determined by dealing the cards one at a time and face up until someone receives a black jack. That player is the dealer and starts the game.
5. The deal is then passed to the person on the left. In the case of a misdeal or if everyone passes after the 2nd round, then that same person would deal again.
6. The team that reaches 10 points in the winner. They will move up one table (for example from table 2 to table 3). The losing team stays at the same table, but one player will move over to the next seat.
 - a. This means the partners from one game will not be partners on the next one. The two winners that moved up from the last table will then sit down.
 - b. If two players have played together in a prior round, they should not play together a second time.
7. Each player keeps his own score. At the end of the tournament, all scores are totaled up. The player with the most point wins.
8. To make things more interesting we are charging a quarter for each euchre. The money goes into the pot. At the end, it is then given to the person with the most loners.

Prizes:

- First – 60% of the take
- Second – 40 % of the take
- Third – prize from the prize table
- Skunk – special prize
- Surprise gift – prize from the prize table
- Most loners – Pot for each euchre plus a prize from the prize table
