

THE UNITED TOWNSHIPS OF HEAD, CLARA & MARIA

Senior/Intergenerational Programming

Council has authorized application to the Ontario Senior Secretariat program. We could hold events similar to those held in 2015/2016 – wreath making, Christmas cake baking, tied blankets, planter boxes, etc.

We would like to hear from you. What programming would you like us to hold which you would participate in?

Some suggestions: painting workshop, community raised bed gardening, preserving and canning of vegetables grown, flower arranging, crafting other products, hosting a psychic or subsidizing and arranging a trip to Ottawa or North Bay for a show or shopping – or to one of the casinos.

We respectfully request your response by Monday, February 27, 2017.
