Healthy Kids Community Challenge

2018 Summer Day Camp Program

Welcome to the 2018 Summer Day Camp Program sponsored by the Healthy Kids Community Challenge and the United Townships of Head, Clara and Maria. Our goal is to provide a fun, safe and educational program that is not filled with screen time.

Program Information, Guidelines and Rules

The County of Renfrew is one of 45 communities across Ontario taking part in the Healthy Kids Community Challenge. The Challenge unites communities with a common goal of promoting children's health through healthy eating and physical activity. Approximately every nine months, the Ministry of Health and Long Term Care launches a new theme related to physical activity or healthy eating. The focus of this theme is limiting children's recreational and sedentary screen time.

Parent communication and cooperation are important in making this a successful program.
